Facilities for Patrons with Access Needs

ACCESS LIST

We have set up a free Access List in order to improve our service to you. The information you give us for the Access List will help us to find appropriate seats for you quickly and easily. Having this information on file will also save time when you book in future. You can join the Access List by filling in the form available from the Box Office. Extra copies of the Access List form are available from the Box Office or on the Anvil Arts website. Please note it is not a requirement for you to join the Access List in order to book tickets.

WHEELCHAIR USERS

The Anvil & The Forge

There are up to eight wheelchair spaces in The Anvil, and up to two in The Forge. Lift to Circle level and accessible toilets on both floors.

The Haymarket & The Exchange

There are up to four wheelchair spaces at Stalls level, and two at Circle level, reached via lift. Lift to all levels, a platform lift to The Exchange, and accessible toilets on the ground floor.

HEARING ENHANCEMENT

The Anvil and The Haymarket are equipped with infra-red hearing enhancement systems for use with headsets or portable induction loops. Both are available from the Steward's point.

ESSENTIAL CARERS

These tickets are only available to those who require assistance from another person in order to use facilities within an Anvil Arts venue. Please note that if this is not the case, other concessions may be available to you. It is vital that anyone using an essential carers' ticket must be able physically to assist the patron for whom they are caring to leave the building in an emergency. For insurance and health and safety reasons, Anvil Arts staff cannot give assistance in these circumstances. Members of staff are also not able to leave the building to assist patrons to cars or taxis. Please do not put staff in a difficult position by asking them to do this.

PARKING

The Anvil & The Forge

There are four free badge parking spaces at the front of The Anvil, and further spaces near the lifts in The Anvil car park.

The Haymarket & The Exchange

The closest badge parking spaces are in Haymarket Yard, with additional facilities in the other town car parks.

Anvil Arts is not responsible for these arrangements; for further details please contact Parking Control at Basingstoke and Deane Borough Council on 01256 844844.

WEB SITE

The Anvil Arts website contains details of all our events and all our facilities and services for people with access needs. There is a text-only version shown as a link on the home page. Extra copies of the Access List form are also available here.
